

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

TWENTY-SECOND REGIMENT OF ENGINEERS

Drafted August 5, 1917

(Six Companies)

(Two Battalions)

(Attached to Division Headquarters)

Armory, 216 Fort Washington Avenue, New York City

This regiment was organized in April, 1861; it entered the United States service May 28, 1862, for three months, and was mustered out September 5, 1862, having been stationed at Washington, D. C., and later forming part of the garrison at Harper's Ferry, Va.; June 18, 1863, it was again mustered in the service of the United States for thirty days, and was mustered out July 24, 1863. In 1867 the regiment took up rifle practice as part of its drill, and in 1871 it established for itself a rifle range and system of practice which was in 1873 adopted by the National Rifle Association. Co. G was disbanded March 22, 1878, and new Co. G organized April 30, 1879. Co. F was disbanded October 10, 1890, and new Co. F organized January 8, 1891. Co. I was disbanded October 10, 1890, and new Co. I organized October 6, 1892. May 7, 1898, it was authorized to be temporarily consolidated into eight companies, and four companies of the 13th Regiment were attached to it, preparatory to entry into the United States service, into which it was mustered on May 24, 1898, as the 22d Regiment, Infantry, N. Y. Vols., and it was mustered out November 23, 1898. February 20, 1902, the regiment was constituted a regiment of engineers and designated 22d Regiment, Engineers.

By the law of May 7, 1908, the 22d Regiment became a part of the Corps of Engineers, and on Nov. 10, 1908, Companies L and M were authorized, completing the three battalion organization. The regimental organization of the Corps of Engineers, known as 22d Regiment, Corps of Engineers, and all battalions and companies, except band, were disbanded by General Orders No. 27, A. G. O., December 23, 1914.

The Engineer troops were organized into two battalions, known and designated as the 1st Battalion, Corps of Engineers, consisting of four pioneer companies (Companies A, B, C and D), and the 2d Battalion, Corps of Engineers, to consist of four ponton companies (Companies E, F, G and H). General Orders No. 2, A. G. O., January 15, 1915, changed the designation to 22d Corps of Engineers.

Reorganized and designated as 22d Regiment of Engineers by S. O. 187, September 2, 1916; and S. O. 190, September 9, 1916. Companies changed as follows: Companies B and F disbanded; Company D changed to B; Company H to Company F; Company G to Company D, by G. O. 22, 6th N. Y. Div., Sept. 4, 1916.

Recognition extended by War Department, under Act June 3, 1916, on June 26, 1916.

The regiment has received authority to place silver rings on the lances of its colors, engraved as follows:

On the *National Color*.—Harper's Ferry, 1862; Gettysburg Campaign, 1863; Sporting Hill, Pa., June 30, 1863; Carlisle, Pa., July 1, 1863; Spanish-American War, 1898.

On the *State Color*.—Draft riots, 1863; Orange riots, 1871; Buffalo, 1892; Brooklyn, 1893.

On the 4th of April, 1786,* the 1st Brigade, 1st Division, was formed in New York city into a brigade of artillery, and was to consist of the 1st and 2d Regiments and a battalion. In April, 1807, the 3d Regiment of New York Artillery was organized by including this battalion and other troops. July 27, 1847, the designation of the regiment was changed to the 8th Regiment. In December, 1893, it was reduced to a battalion of four companies. It was reorganized, as a regiment, February 14, 1896. New companies were organized for the battalion as follows: On July 8, 1895, Co. A; on October 30, 1895, Co. E; on January 27, 1896, Co. H, and on February 14, 1896, Co. G, when it was reorganized as a regiment. April 28, 1898, it was authorized to be organized as a twelve-company regiment to enter the service of the United States. It was in the service of the United States from September 15 to December 15, 1812; from April 23 to August 2, 1861; from May 29 to September 9, 1862; and from June 17 to July 23, 1863. It was mustered into the United States service as the 8th Regiment Infantry, New York Volunteers, May 14, 17 and 19, 1898, and mustered out of such service November 3, 1898. Companies L and M were disbanded December 22, 1898. December 10, 1906, Companies A, C and E were disbanded and the regiment reduced to a battalion of seven companies and designated the 8th Battalion. January 18, 1908, Co. A was reorganized and on January 21, 1908, the battalion was again constituted a regiment under its original designation. January 23, 1908, a coast artillery corps was organized, the 8th Regiment being constituted coast artillery and the companies respectively designated as the 25th, 26th, 27th, 28th, 29th, 30th, 31st and 32d Companies, Coast Artillery Corps, constituting the 8th Artillery District. November 11, 1911, authority was given to organize an enlisted band, to be designated the 8th Band, Coast Artillery Corps. The 34th Company was mustered in May 29, 1914, and attached to the 8th Coast Defense Command. The 34th Company is to be designated as a mortar company and assigned to the coast defenses of Eastern New York.

COAST ARTILLERY CORPS — (Continued)

NINTH COAST DEFENSE COMMAND

Drafted August 5, 1917

(Eleven Companies.)

Armory, 125 West Fourteenth Street, New York City

By virtue of an order from Governor John Jay to Brigadier-General James Miles Hughes, New York, N. Y., dated Albany, June 24, 1799, the preliminary organization of the 6th Regiment, New York State Infantry, of which this regiment is the successor, took place, by transfer of four companies from the 1st Regiment, three companies from 2d Regiment, five companies from 3d Regiment, two companies from 4th Regiment, all organized March 4, 1786; three companies from the 5th Regiment, organized May 11, 1789, and the Independent Rifle Co., organized August 28, 1798.

The 6th Regiment, New York State Infantry, was permanently organized with 16 companies, under the command of Lieutenant-Colonel Commandant Jacob Morton, on March 8, 1800. This regiment was changed by General Orders, Adjutant General's Office, Albany, to the 2d New York State Artillery, March 27, 1805, and to the 9th Regiment, New York State Artillery, June 13, 1812; it was reduced to a battalion, December 13, 1813, and became a regiment again, by orders of Council of Appointment, June 6, 1816. By orders from Adjutant General's Office, the state was divided in division, brigade, regiment and company districts, May 13, 1847. Three of the regiment's companies were transferred to the 8th Regiment, New York State Militia, May 27, 1850; some of the officers and men elsewhere, but Colonel B. Clinton Ferris retained command of the 9th Regiment, as reorganized May 29, 1850. It was again partly disbanded May 31, 1858, but the district of the 9th Regiment, New York State Militia, was kept intact, under Colonel Lucius Pitkin, and once more the regiment made — anew, June 25, 1859.*

Under this title it entered the service of the United States, May 27, 1861, and was mustered in at Washington, D. C., June 8, 1861. A further change was made in numerical designation; it became known as the 83d New York Volunteers, December 7, 1861, by which title it was mustered out of the United States service, June 23, 1864.

Under orders from the authorities of the State, the 9th District was retained for the regiment during its three years of war service, and formally retook position in the National Guard of the State as the 9th Regiment, National Guard, State of New York, June 13, 1864, which was continued until 1898, when the title was changed to the 9th Regiment Infantry, New York Volunteers, May 2, 1898. It was redesignated the 9th Regiment, National Guard, New York, January 12, 1899.

April 28, 1898, it was authorized to be organized into a twelve-company regiment, preparatory to entry into the United States service, into which it was mustered as the Ninth Regiment Infantry, New York Volunteers, May 17, 19 and 20, 1898, and mustered out November 15, 1898. Companies L and M were disbanded December 22, 1898.

To conform to the Military Law (1903), General Orders No. 7, Adjutant General's Office, dated Albany, January 23, 1908, reorganized the 9th Regiment Infantry, as Coast Artillery and made it a part of the Coast Artillery Corps, National Guard, New York, as the 9th Artillery District, and the designation of companies from letters A to K, to be the 13th to 22d Companies, Coast Artillery Corps, respectively. Authorized to nominate officers for appointment February 1, 1908.

The designation of the 9th Artillery District was changed to the 9th Coast Defense Command by G. O. 14, A. G. O., August 10, 1914, to consist of the 13th, 14th, 15th, 16th, 17th, 18th, 19th, 20th, 21st and 22d Companies.

The 13th, 19th and 21st Companies transferred to mortar batteries, 1915.

The 23d Company was mustered into the service of the State, December 5, 1916. Accepted by S. O. 267, A. G. O., December 18, 1916.

Recognition extended by the War Department under Act of June 3, 1916, to F. S. N. C. S., Band, Sanitary Detachment, and 13th, 14th, 15th, 16th, 17th, 18th, 20th, 21st, 22d Companies, June 29, 1916; to 19th Company, June 30, 1916; to 23d Company, December 6, 1916.

The regiment was authorized to place silver rings on the lances of its colors, engraved as follows:

INFANTRY — (Continued)

SEVENTH REGIMENT

Drafted August 5, 1917

(Twelve Companies.)

(First Brigade.)

Armory, 643 Park Avenue, New York City

Companies A, B, C and D were organized during the excitement created by the firing of British at American vessels off Sandy Hook in April, 1806, as the first, second, third and fourth companies, and June 25th they were officially recognized by the State as part of the uniformed militia of the State, and attached to the battalion of artillery commanded by Major Andrew Sitcher. April 5, 1807, the battalion, in the organization of the 3d Regt. of New York Artillery, became its 2d Battalion. When war with England became imminent in 1807, these four companies, with other volunteers, were temporarily organized as a regiment, commanded by Colonel Peter Curtienus, and remained thus detached until April 20, 1809. In 1812 the 3d became the 11th Regiment of Artillery, the four companies remaining the 2d Battalion. August 25, 1824, the battalion was named "Battalion of National Guards" (its distinctive name until, in 1862, the Legislature appropriated it for the uniformed militia), and in December, 1824, the fifth company was organized and Captain Stevens' company of the 11th New York Artillery transferred to it as the sixth company. In January, 1825, the battalion was transferred to the 2d New York Artillery. October 1, 1825, the battalion was detached and organized as a separate and independent battalion, and during the month the seventh company was organized. May 4, 1826, the organization of the eighth company was completed, and May 6th the battalion was organized into a regiment, the 27th Artillery. April 17, 1838, a troop of cavalry was admitted to the regiment, which, in 1861, became the ninth company. In 1843 the State furnished the regiment with arms, it having heretofore provided them itself; July 27th the designation of the regiment was changed to 7th Regiment. In April, 1849, an engineer corps was organized which, in 1861, became the tenth company. May 11, 1909, the regiment received authority to organize a new company to be known as Company L. December 2, 1910, a new company, to be designated Company M, was authorized to be mustered in. The regiment was frequently ordered to hold itself ready for service, and did active service for the United States, the State and New York city, as follows: In United States service from September 15 to December 15, 1812; from September 2 to December 2, 1814; from April 19 to June 3, 1861; from May 26 to December 5, 1862; from June 17 to July 21, 1863. In support of State or municipal authority: Execution of James Reynolds, November 19, 1825; at the election riots, April 10, 1834; abolition riot, July 11 to 12, 1834; great conflagration in New York city, December 17, 1835; stevedore riot, February 24, 1836; flour riots, February 6 and March 6, 1837; anti-rent war, December 9 to 10, 1839; Croton water riots, April 22 to 23, 1840; fire in New York city, July 19 to 21, 1845; Astor Place riot, May 10, 12 and 14, 1849; police riot, June 16, 1857; Dead Rabbit riot, July 5, 1857; quarantine war, January 3, 1859; preserving order at camp of Spinola Brigade, September 12 to 19, 1862; draft riots, July, 1863; Orange riots, July, 1871; labor riots, July, 1877; motormen's riots, Brooklyn, January, 1895; and at riot, Croton Dam, April, 1900. The regiment was authorized to organize a detachment of mounted scouts by Special Orders No. 66, A. G. O., March 15, 1912, and a machine gun platoon by Special Orders No. 168, A. G. O., July 8, 1912. A machine gun company was organized April 24, 1914.

Recognition extended by the War Department under Act of June 3, 1916, to Companies A, B, C, D, E, F, G, H, I, K, L, and Sanitary Detachment, on June 25, 1916; to Company M on June 24, 1916; to Headquarters Company, on June 25, 1916; to Supply Company, on June 26, 1916.

TENTH REGIMENT

Drafted August 5, 1917

(Twelve Companies.)

(Third Brigade.)

Headquarters, State Armory, 195 Washington Avenue, Albany

The 10th Regiment was organized on December 29, 1860, by General Orders No. 50, A. G. O., of that year, Captain Ira W. Ainsworth's company of the 25th Regiment being detached from that regiment and assigned to the 10th as the nucleus of the new regiment; Captain Ainsworth subsequently becoming the first colonel of the 10th Regiment with rank from May 27, 1862.

On May 17, 1881, the 10th Regiment, with the exception of Companies A, B, D and K, was disbanded and these companies retained in the service as the 10th Separate Battalion. On October 1, 1884, the designation of Company K was changed to C.

April 28, 1898, the 1st Regiment was organized preparatory to entry in United States service and Companies A, B, C and D of the 10th Battalion became Companies A, B, C and D of the 1st Regiment. On the disbandment of this regiment on March 15, 1899, these companies resumed their former designations in the 10th Battalion.

The battalion organization of the 10th Battalion was disbanded on May 1, 1905, and Companies A, B, C and D constituted separate companies, designated respectively, as the 26th, 35th, 38th and 45th Separate Companies. On the same date the 10th Regiment, composed of separate companies, was reorganized and its headquarters established at Albany, and the 26th, 35th, 38th and 45th Separate Companies attached to it as Companies A, B, C and D, respectively. In addition the 16th, 23d, 4th, 11th, 17th, 15th and 14th Separate Companies were assigned to the regiment and designated respectively as E, F, G, H, I, K and M. May 28, 1907, the 49th Separate Company was mustered in at White Plains, and assigned to the 10th Regiment as Company L. On December 1, 1910, Company A was mustered out, and a new company mustered in, on the same date, and designated as Company A, 10th Infantry (26th Separate Company).

The 10th Regiment was mustered into the service of the United States as the 177th New York Volunteers, November 21, 1862, and was mustered out September 10, 1863. Companies A, B, C, D, K and M were mustered into the United States service as Companies A, B, C, D, K and M, 1st New York Infantry, May 20, 1898, and were mustered out February 20, 1899. The 10th Regiment was on duty in aid of the civil authorities in the Helderbergs in 1865, during the anti-rent war; during the railroad riots at West Albany in 1877; the 10th Battalion at Buffalo during the riots in 1892; at Albany during street railway riot in 1901; and a portion of the 10th Regiment at Coeymans during a riot in May, 1906. The regiment was authorized to organize a detachment of mounted scouts by Special Orders No. 66, A. G. O., March 15, 1912.

Recognition extended by the War Department under Act of June 3, 1916, to Sanitary Detachment on June 26, 1916; to the Machine Gun Company on July 9, 1916, and to the Supply Company on July 5, 1916.

The regiment has received authority to place silver rings on the lances of its colors, engraved as follows:

SIXTY-NINTH REGIMENT

(Twelve Companies.)

(First Brigade.)

Armory, 68 Lexington Avenue, New York City

On October 12, 1851, a number of independent, uniformed military companies in the City of New York were organized into a regiment under the command of Colonel Charles S. Roe, and designated in General Orders No. 480, A. G. O., dated November 1, 1851, as the 69th Regiment, New York State Militia. In 1858 the regiment was reorganized as a regiment of artillery doing duty as infantry.

The regiment was mustered into the United States service on May 9, 1861, at Washington, D. C., for three months, during which service it participated in the battles of Blackburn's Ford and Bull Run, and was mustered out on August 3, 1861.

Immediately after its muster out and return practically the whole regiment, including the officers and enlisted men who had served in the three months' campaign, volunteered for three years, or the war, and the offer was accepted by the War Department in a letter to the commanding officer of the regiment under date of August 30, 1861, the regiment being mustered into the United States service on November 8, 1861, as the 69th Regiment, New York Volunteers. Its appellation of "militia" was changed to "volunteers" for the reason that the term for which the regiment volunteered exceeded the period of time established by the State of New York for which its militia regiments, to be recognized as such, could serve without the State. But its numerical designation, however, was, by authority of the State, retained in order to preserve and maintain the regiment's identity with the militia organization. During this service the regiment was attached to the Army of the Potomac, forming part of the Irish Brigade (2d Brigade—1st Division—2d Corps). It was recruited in 1863 and again in 1864 and finally mustered out of the United States service at New York on June 30, 1865.

The militia organization, having in the fall of 1861 been again reorganized and recruited, re-entered the United States service for three months on May 26, 1862, and on its return from this service the major part thereof entered the service of the United States for three years, being mustered in on November 17, 1862, as the 69th Regiment, New York National Guard Artillery, which designation was, to avoid confusion, changed on March 10, 1864, to the 182d New York Volunteers and mustered out of the United States service under that designation on July 15, 1865. During its term of service this organization was one of the units in the brigade of New York regiments known as the "Irish Legion," officially designated as the 4th Brigade (afterwards 2d Brigade), 2d Division, 2d Corps, Army of the Potomac.

The militia regiment having been again reorganized, was mustered into the service of the United States on June 25, 1863, for thirty days, and was mustered out on July 25, 1863. Again for the fourth time, the militia organization was, on July 6, 1864, mustered into the United States service for three months and was mustered out on October 6, 1864.

The regiment has rendered service to the State during the quarantine riots in 1858; the draft riots, 1863, and the quarantine disturbances in 1892. It was reduced December 6, 1893, to a battalion of five companies, A, C, D, I and K. The battalion was on duty at Brooklyn during the riots in January, 1895. New companies were organized for the battalion as follows: Co. B, June 5, 1894; Co. G, June 10, 1895; Co. E, June 11, 1895, and Co. F, September 7, 1900. The battalion was reconstituted a regiment September 4, 1895. April 28, 1898, the regiment received authority to organize as a twelve-company regiment, preparatory to its entry into the United States service, into which service it was mustered May 19, 1898, as the 69th Regiment, N. Y. Infantry, and mustered out January 31, 1899. The regiment formally re-entered the service of the State on March 15, 1899. Companies L and M were disbanded April 12, 1899; Co. F, February 8, 1900, and Co. B, March 5, 1900. Co. F was reorganized and mustered in May 31, 1900. New Co. E was organized January 4, 1906. New Co. L was mustered in July 14, 1911. Co. M was mustered in December 29, 1913.

Recognition extended by War Department under Act of June 3, 1916, to Companies A, B, E, G, H, I, June 26, 1916; to Companies C, D, F, K, L, M and Sanitary Detachment, June 28, 1916; to Headquarter and Supply Companies, June 26, 1916.

The regiment has received authority to place silver rings on the lances of its colors, engraved as follows:

Armory, 104 Park Avenue, New York City

The regiment was organized in August, 1852. The American Rifles, a battalion of four companies, formed the nucleus of the regiment. September 21, 1870, the 37th Regiment was consolidated with the 71st Regiment, Cos. E, D, H, A, G, K and B of the 37th Regiment being consolidated with Cos. A, C, D, E, F, G and K of the 71st Regiment, respectively. In 1861 it entered the United States service for three months, from April 19 to July 30; in 1862 it re-entered the same service, May 29, for three months, at the expiration of which it volunteered to remain, and remained until September 1; in 1863 it was mustered into the United States service for thirty days, and served from June 17 to July 22. April 28, 1898, it received authority to organize as a twelve-company regiment, preparatory to its entry into the United States service, into which it was mustered May 10, 1898, as the 71st Regiment, N. M was mustered in January 8, 1907. On November 10, 1908, an additional company was directed to be organized and attached to the 71st Infantry, as Co. L. The regiment was authorized to organize a detachment of mounted scouts by Special Orders No. 66, March 15, 1912.

Recognition extended by the War Department under Act of June 3, 1916, to Companies A, B, C, D, E, G, H, K, L, M and Sanitary Detachment, on June 25, 1916; to Companies F and I, on June 26, 1916; to Headquarters Company, Supply Company and Machine Gun Company, on Nov. 18, 1916.

NAVAL MILITIA—FIRST BATTALION

Headquarters, U. S. S. "Granite State," foot West Ninety-seventh Street, North River, New York City

This battalion was organized on June 23, 1891, as the First Battalion, Naval Reserve Artillery, which designation was changed on June 25, 1892, to First Naval Battalion. This designation was again changed on Oct. 16, 1900, to First Battalion, Naval Militia. The Seventh Division, First Battalion, Naval Militia, was mustered in on January 23, 1912, at New Rochelle. The Eighth Division was mustered in May 29, 1912, with station at Ossining. Engineer Division known as 9th Division was mustered into the service August 18, 1914. An aeronautic section was mustered into the service January 17, 1916.

The Battalion performed duty for the State during the quarantine troubles in September, 1892, and during the Spanish-American War on coast signal service, guarding mine fields at Willet's Point and on patrol duty in New York harbor.

It performed duty for the United States during the Spanish-American War in the U. S. Navy aboard the "Yankee," "Nahant," and other vessels, and in the U. S. Auxiliary Naval Force, aboard various vessels.

The battalion has received authority to place silver rings on the lance of its *National Color* engraved as follows: "Spanish-American War, 1898," "Santiago de Cuba, June 6, 1898," "Cienfuegos, June 13, 1898," "Casilda Harbor, June 20, 1898," "Guantanamo, June 7, 1898." On the lance of its *State Color*, "Spanish-American War, 1898."
